

Dear Membership

The 2016 season has arrived and there are many things to be excited about. The project on the fourth and fifth hole is now complete and if we can get some warm weather we might be able to get some grass to grow. There are still many things that need to be done starting with our tee boxes. My staff and I will be starting to aerify the tees this upcoming week. This means that certain tees will be closed and the tee markers may be placed in the rough. I also was hoping to push our greens aerification until the fall. However, I feel that doing it now will allow us to maintain quality turf throughout the summer months. Weather permitting, we are going to try to complete the greens in two days starting Tuesday May 10th.

I would also like to take this opportunity to thank everyone for the support and encouragement. My goal is to try to restore this classic Donald Ross course to gem that it once was. With the dedicated ownership of the Luzzi family and hardworking staff here at Winnapaug every day we move one step closer.

If anyone has any questions, feel free to contact me anytime.

Thanks

Josh Beland

Superintendent

Winnapaug Country Club
